

The SYNBONE-Group is an innovative & fast-growing company, in the field of surgical education, providing advanced anatomical models and simulators for education and surgical procedures. Our customers are representing medical device manufacturers, education institutes, universities, and hospitals in over 80 countries.

SYNBONE is seeking a responsible Operator - Molding to support production operations by ensuring proper machine handling, maintaining consistent product quality, and contributing to efficient and safe manufacturing processes.

## Operator - Molding (Malaysia - Kulai, Johor)

### Job Purpose

- Operate molding machine to produce quality parts according to production schedule.

### Job Responsibilities

- Operate high-pressure and low-pressure foaming machines.
- Start up and shut down machines according to standard operating procedures (SOP).
- Monitor basic machine parameters (temperature, pressure, cycle time).
- Perform minor machine adjustments when necessary.
- Inspect molded parts to ensure they meet quality specifications.
- Identify and report defects such as short mold and flashes.
- Ensure proper material loading.
- Record production output and complete required documentation.
- Perform mold change activity if required.
- Able to report/communicate to Technical Operator or Supervisor for any finding or abnormality during production duty.
- Able to perform night shift or overtime if required.
- Ad-hoc as requested by Superior whenever arises.
- Comply to 5S as well as safety and health regulations (wearing appropriate PPE).

### Job Requirements

- Good discipline and teamwork.
- Experience in molding process or sandblasting is advantage.
- Basic knowledge in mechanical works or machine operation.
- Physically fit and able to perform heavy duty job.

### Benefits & Others

- Offers an excellent insurance coverage.
- Internal and/or external trainings for further development.
- Work in an international environment.
- Assured fair performance-based remuneration, based on the grade of work and responsibility.
